REMOTE OFFSITE MONITORING & RESPONSE

OCCUPATIONAL HEALTH AND SAFETY AUDIT

FIRE DETECTION & SUPPRESSION

Our National Control Centre operates 24 hours a day, throughout the year. We're extremely proud to provide you peace of mind with the best:

- Remote CCTV Monitoring (Live and Recorded)
- Intruder Alarm Monitoring and Response
- Fire Alarm Monitoring and Response
- Incident Response
- Incident Investigation and Response
- 24 Hour Emergency Contact Centre
- 24 Hour Electronic System Health Monitoring

Remote Monitoring Stations are as reliable as an on-site Control Room, but with the added benefit of significant cost savings – by removing reliance upon human guarding resources and reducing the opportunity for colluding with local criminals.

It is an independent division which provides objective assurance of compliance to controls and procedures by performing Retail, Remote and Ad Hoc audits, as well as assurance of compliance to Gambling Board Regulations and OHASA Compliance in the workplace.

- Expertise in OHS Compliance
- Risk Assessment and Mitigation
- Legal Compliance
- Customized Audit Programs
- Workplace Safety Culture Enhancement
- Incident Investigation
- Emergency Preparedness and Response
- Continuous Improvement
- Documentation and Reporting
- Industry-Specific Audits
- Certification Support

We subscribe to relevant SANS regulations as far as fire system design, installation and servicing specifications are concerned. Our Fire Teams are registered with SAQCC to design, install and service Fire Detection as well as Fire Gas Suppression systems.

SW Security Solutions SA provides customised fire detection solutions suited to a wide range of industries from hospitality, mining, manufacturing, warehousing and commercial.
